Allegro® 2 System

EASY TO USE. EASIER TO TEACH. EASIEST TO LOVE.

balanced body®

The Allegro® 2 Reformer is all about creating the best Pilates experience. Smooth transitions and seamless flow. Easy adjustments and maximized comfort. The result is an enhanced, effective session for clients, club members, rehabilitation patients, home users, and Pilates professionals.

The most intuitive, easy-to-use Reformer on the market

ALLEGRO 2 TOWER SYSTEM—EXPANDS WHEN YOU ARE READY!

- 95% of full Trapeze Table functionality with no additional space needed.
- Mat workouts on either side of Tower.
- Integrated exercises use the Tower with the moving Reformer carriage.
- Tower is easily removed for storage.
- Eight Balanced Body Signature Springs for arm and leg exercises.
- Movable rope pulleys offer many angles of resistance for exercises.
- Simple, ingenious storage area for springs not in use.
- Safety strap and carabiner included.

Add A Mat Conversion System

Quickly transform your Reformer for Tower work. Just move carriage to riser-end and drop in the one-piece mat.

Add Legs

Increase the height of your Allegro 2 to personal training height (15"/38cm). Easier for instructors; easy on and off.

Add Wheels

Add convenient portability. Must have for vertical storage of your Reformer.

FLUID TRANSITIONS FOR EVERY BODY

The incredible EasySet Footbar

- One-step horizontal adjustments with no change in footbar height.
- Slides horizontally the entire length of the frame to accommodate different body sizes and allow innovative programming.
- Streamlined and fully-padded, comfortable for both hands and feet.

INSTANT, ACCURATE, REVOLUTIONARY

The unique SoftTouch Rope System

- Make instant, one-touch rope adjustments, even while lying on the carriage.
- Quick-change your loops and handles with unique, soft attachment loops that are clip-free and quiet.
- Rope adjustments are easier than ever, enhancing the flow of your class.

DURABLE, VERSATILE, STRIKINGLY BEAUTIFUL

- State-of-the-art frame and carriage.
- Powder-coated, anodized aluminum, with warm maple accents.
- Locator on side of frame precisely shows footbar's horizontal position (great for instructors).
- Integrated, seamless carriage and 3-position headrest; easy to clean and nothing gets caught. Stock: Storm.
- Shoulder rests adjust to narrow or wide position, or remove quickly to create a wider flat carriage.
- Built-in, maple standing platform, pre-configured to accept Padded Foot Plate.
- Spring Collars for an improved grip, and five Balanced Body Signature Springs.
- CE approved medical device (Class 1).
