Clinical Reformer®

SAFE. ADJUSTABLE. EFFECTIVE.

balanced body®

For over 30 years, Balanced Body® has worked with rehabilitation professionals to refine our Clinical Reformer® into a versatile and practical rehabilitation tool used today by clinicians worldwide.

Used by clinicians in private practice, rehabilitation facilities and hospitals worldwide, our Clinical Reformer® provides superior performance under the rigors of daily rehabilitation use.

SAFE AND COMFORTABLE

- Work with patients comfortably with a choice of three frame heights: 14", 18", or 24"
- Comfortable cervical support with a padded, three-position headrest
- Protect against slipping with non-slip standing platform
- Quietest, safest, longest carriage ride available
- CE approved medical device (Class 1)

ACCURATE AND ADJUSTABLE

- Infinity Footbar® accommodates patients of all sizes (children to adults), by positioning and locking the footbar over the entire length of the frame
- TwistLock™ shoulder rests let you adjust or remove shoulder rests quickly with no need for tethered pins. Secure and quiet!
- Quick mat conversions and accurate calibrations with locking, retractable metal risers
- Adjust ergonomic positions easily with the Revo Springbar™
- Safe, consistent resistance with 6 long-lasting Balanced Body Signature Springs™: 1 green, 3 red, 1 blue, 1 yellow

Facilitate safe and rapid rehabilitation of orthopedic, neurologic and chronic pain conditions
